Private Civil Lawsuit n° 0000002.2019.3-ISC.400 filed by Igor Lencovic
by means of a mandamental action of name rectification.

FILING

In the twenty-eighth day of January of two thousand and nineteen in
Register Office I file the following documents. And for record I made these
dockets. I, Anders Georg Friedrich Fariah-Marseles, Registrar of the
Registry and Distribution Office, susbscribed.

Requisition -change of my name in Karnia -Ruthenian Empire

Your Excellency,

my civil name is Igor Lencovic and I am from Croatia.

After useful conversation with the HRE Emperor I dived to apply for citizenship in one of the states and I choose The Duchy of Libertia.

when applying for citizenship on Empire page I did not know the rules (what pseudonym names are applicable) and I wanted an name that is a Croatian historical person(what was refused by the rules of the Empire). I am sorry for that but I did not know the rules so I asking you the name on my Citizenship document and state and Empire evidence to a fictional name: Igor Rujanhrast,Rujan is in Croatian September and hrast is the Oak tree.

Reason: I want to be an active person in my state and Empire and politically active, but I am a public person in Croatia -a politician and therapist and because the common people and my party and publicity would not understand my interest in micro-nation,

Please fulfill my humble request! My citizenship certificate is under No 233.

Sincerely Your's

Igor Lencović

Considering the patient's demand to be a civil mandamental action whose purpose is to rectify his name, that is, for purposes of protection of civil material right, I acknowledge *ex officio* my incompetence to first receive the petition. Thus, considering the vacancy of magistrates in the Persenburg High Court, and the maxim according to which *in eo quod plus est semper inest et minus*, understood in this concrete case from article 2 of the Temporary Constitutional Provisions Act, I hereby constitute a Summary Court to prosecute and judge the author's claim.

Under the terms of article 109 of the Constitution, I appoint Mr. Johannis Sauerbronn, citizen registered under No. 235 of the Civil Registry of the Empire, of unblemished reputation and well-known legal knowledge, to be the Summary Judge.

INTIME the notarial authority to refer the case to his jurisdiction.

DONE and SENT the present Office in this Imperial City of Persenburg-Götzödorf, Capital of Karno-Ruthenian Empire, in the twenty-eighth day of January of two thousand and nineteen.
