Private Civil Lawsuit n° 0000004.2020.3-ISC.400 started by Ulli von und zu Eibenland-Sansbeurg by means of a mandamental action of name rectification.

## FILING

In the second day of April of two thousand and twenty in Register Office I file the following documents. And for record I made these docket. I, Anders Georg Friedrich Fariah-Marseles, Registrar of the Imperial Supreme Court, subscribed.

Your Excellency, Wilhelm v. Hochbach

I come before you to humbly request that the name that is mine in the Empire be changed.

Currently, my name is Ulli von und zu Eibenland-Sansbeurg and I would like to change it to Caio de Taxus.

This request symbolizes a new phase in my micronational history, assuming the Duchy of Daugavia as my main project from now on, abandoning all other ties to any other projects I have been working on for good.

If, by any chance, this request is missing something, please just let me know.

I appreciate your time and consideration in this matter and thank you in advance for it.
